

Information about the new Certification of Immunization Status (CIS) form

The Certificate of Immunization Status (CIS) form was revised January 2006. The CIS form is used for all children attending school, child care, and preschool. The CIS form may also be printed from this web site. It is available in English and Spanish. Hard copies are available in limited supply by sending an email to: immunematerials@doh.wa.gov.

The WAC language was changed in March 2005 to allow the acceptance of the CIS form printed from the CHILD Profile Immunization Registry for school and childcare/preschool attendance.

WAC 246-100-166

(2) Definitions. The words and phrases in this section have the following meanings:

(a) Certificate of immunization status (CIS) means:

(i) A certificate of immunization status form approved by the department; or

(ii) A CHILD profile immunization record; or

(iii) Any other immunization form approved by the department.

The CHILD Profile Immunization Registry is in the process of making revisions to the form. Until the revisions are available, the February 2004 CIS form can be used.
